**The Future of KartSport is
in Your Hands:
Have your Say!**

PLUS all Licenced Members who complete the questionnaire go into a draw to win one of three sets of MG-AZ tyres provided by MG Tyres NZ Ltd.

KartSport New Zealand is seeking an understanding of the perceptions and opinions of all KartSport New Zealand members and associated parties to formulate a national strategy that ensures the sustainable growth of our sport nationwide.

A clear understanding our stakeholders' perceptions of KartSport New Zealand and member club's performance, community connection, brand perceptions, communications and risk management will assist us in developing and delivering strategies that meet your expectations now and into the future.

Accordingly, we ask that you [click here](#) to complete a simple online survey that will allow us to listen to your opinions. Results will be shared with everyone and a detailed forum will be held at the 2010 National Conference on 21 August 2010 where we will review, debate and agree on overlying goals and strategies for our new Strategic Plan.

On behalf of Kartsport New Zealand, thank you in advance for your participation.

NOTE: Last Day to Complete the Survey is Sunday 15 August 2010

A new Page has been established at www.kartsport.org.nz with details regarding this year's National Conference.
