

Inquiry Report

Report Prepared by: Graeme Moore 02 June 2011

Inquiry Panel: Graeme Moore: Chairman
Colin Richardson
Andrew Donohue

Appellant: N/A

Defendant: N/A

Competitors: Ryan Fowler Competition Licence no 131
Daemon Brough Competition Licence no 190

Date/Venue: 02 June 2011 / Inquiry held by Phone-Email

Event: Hawkes Bay Club Day: 29 May 2011

In the Matter of:

1. Competitors DQ re Carb Spacer

Key issues and findings from the Panel:

Technical Officer Ross Lee teched the Cadet class and made the decision to DQ two competitors for illegal carb spacers.

The competitors accepted the DQ and the FOC's were signed off by the Chief Steward.

On review the Technical officer realised he had in fact made an error and requested KSNZ to rectify the outcome. This action is supported by the National Technical Officer.

Outcome

The Panel reviewed the correspondence and related rules and agreed the DQ's were in fact made in error and respect the notification of such by the Technical officer concerned

The penalties are to be removed and any endorsement in licences of competitors relating to this incident to be struck out of their respective licence book.

Placings on the day to be amended to reflect reinstatement
