Rule Changes

Issue 2017-5 published 1-9-17

A number of important Rule Changes come into effect for events from this weekend (including Top Half R3 and Garden City Championships). Some of these changes are as a result of input from Delegates at the recent National Conference.

Rule C2.18.9 Judge of Fact decisions will now only be notified via the Announcements section on My-Laps result sheets, saving lots of paperwork for our Officials.

Rule C4.2 Clubs now have the option to run Club Days without hearings for penalties imposed by Race Officials. Competitors will still retain the ability to protest another competitor and a hearing held. This will help speed up Club Days and free up Officials to manage on-track activity.

Rule D3.1 The Licence Rating Criteria has been adjusted to reduce the number of events required to obtain both a Tier 1 and Tier 2 rating. This can be sped up by attending an **Academy** course.

Rule J2.1 Track Definition (limits) has changed to match the international rule.

Rule J2.24 Clubs now have the option to run mixed predetermined grids for Heavy and Light classes on Club Days.
