## KARTSPORT PARTNERS WITH CARTER'S

Carter's helping karters. Or karters helping Carter's. Whichever way you look at it KartSport New Zealand's new partnership with nationwide tyre retail chain **Carter's Tyre Service** is a deal made in marketing heaven.

Carter's is an independent, family-owned-and-run business with 36 **Carter's Tyre Service** branches in the North and upper South Island, and affiliated with six **General Tyres** branches in Otago and Southland.

The new partnership arrangement enables every competing karter in the country to run a **Carter's Tyre Service** or **General Tyres** (for KartSport Dunedin and KartSport Southland members) decal strip across the top of their helmet visor.

And, better yet, affiliated KartSport New Zealand club members, including volunteer officials, will get exclusive deals on tyres and tyre services at [Carter's Tyre Service](#) and [General Tyres](#) branches.

The partnership has been further boosted via the support of **Goodyear & Dunlop Tyres (NZ)** and even better deals will be available to members who chose either [Dunlop](#) or [Goodyear](#) tyres. You can now race **Dunlop** on Sunday and buy **Dunlop** on Monday!

**Competitors** will be able to use their **MEMBER CODE**, printed on the inside front cover of their **Licence**, and Officials and Volunteers a new **Official and Volunteer Card** (which will have their Name and Member Code on the rear side) to identify themselves to **Carters** and **General Tyre** outlets and to secure the special deals on tyres, especially **Dunlop** and **Goodyear** brand models.

And **YES** you can use your Member Code for fleet deals if you own lots of vehicles or work for a company that has lots of vehicles, including trucks and farm vehicles.

Official and Volunteer Cards will be mailed to currently active members on our database over the next few days.

Preferential buying for all Licenced members and volunteer Officials and super special deals on Dunlop and Goodyear tyres in line with KartSport New Zealand's national kart tyre partnership with Dunlop starts today. This discount is available to anyone within the KartSport community by taking along your KartSport New Zealand Licence or Officials Card to any **Carters Tyre Service** or **General Tyres** store nationwide.

To find out more visit your local store to receive special pricing for all your tyre needs and services.
