Changes to Age Groups Delayed Until 2019

Further to the announcement in **E-Line #114**, KartSport New Zealand wishes to respond to feedback received regarding the notice period advised for these changes.

While the Executive is pushing hard and fast to respond to a changing environment, it got the timing of the implementation of these changes wrong. In retrospect the notice period was too short.

Consequently the implementation of the changes to the Age Groups for Sprint racing will be **delayed until 1-1-19**.

The Executive apologizes for the stress and confusion this has caused some competitors and crews over the last 24 hours.

Detailed Rules will be published shortly with the new implementation date.
