

KartSport New Zealand Inquiry Report

2018 NZRMC R1 & R2 DD2 Masters Class Results

Report Prepared by: Graham McKenzie
Inquiry Panel: Graham McKenzie (chair), John Lennox and Wayne Keats
Venue: By electronic communication on the Judicial Worksite
Date: 16 April 2018

Background:

The KartSport New Zealand Executive voted on 5 April 2018 (ref Rule C5) to hold an Inquiry regarding the results of the DD2 Masters class at Rounds 1 and 2 of the 2018 NZRMC held at KartSport Manawatu on 17/18 February 2018.

The Terms of Reference were as follows:

To investigate whether the results published and signed by the Chief Steward of the event at the conclusion of racing were in accordance with the 2018 NZRMC Series Supplementary Rules.

Should the results be found to not be in accordance with the 2018 NZRMC Series Supplementary Rules, to determine the correct results.

To investigate and take any other action/make recommendations which may be relevant to this issue.

Process:

- Inquiry was by way of electronic exchange of documents and voting and was held under KartSport New Zealand guidelines based on the inquisitorial process (Rule C5).
- All interested parties were circulated with a Notice of the Inquiry on 15-3-18 and invited to make submissions and/or request to be heard by the Inquiry Panel. No formal responses were received.
- Statements from the Competitions Manager and National Race Control Advisor (both present at the event) were received together with copies of the results published and signed by the Chief Steward on the day.
- The 2018 NZRMC Supplementary Rules were considered.

Outcome:

- The Inquiry Panel determined that there are only two Rotax DD2 classes contesting the 2018 NZRMC Series (ref Item 2 Classes Page 4. The DD2 Heavy class did not run). IE Rotax DD2 and Rotax DD2 Masters.
- Reference to Rotax DD2 "Supermasters" is purely related to the awarding of a prize at the conclusion of the Series (ref item 3, page 2)
- Consequently, the Inquiry Panel has determined that the results published at the event are incorrect. The Inquiry Panel has determined that the correct results are as attached to this Inquiry Report which shall replace the results published and signed by the Chief Steward at the event.
- The Inquiry Panel reminds all concerned parties including competitors, host Clubs, Race Controllers, KartSport New Zealand Officials and the Series Promoter that events must be run in accordance with the Series Supplementary Rules and results established accordingly.

Inquiry Panel Chairperson
