Introducing Andrew Donohue

Executive Member

Hi All,
Andrew Donohue here, your Either Island Representative on the KartSport New Zealand Executive, a position I have held for one year of a two year term.

I am excited to remain on the Executive and be able to work with some fresh new faces joining us this year. I know all those around the Executive table will take this opportunity to manage the sport in the best interest of the KartSport New Zealand fraternity.

I have been involved in KartSport from the age of 10 racing competitively for many years and now racing not so competitively. I do have 2 drivers in Cadets at the pointy end of the field so that ensures we are involved in events most weekends around the country somewhere.

I am currently a Committee Member at KartSport Wellington and previously the Vice President. I enjoy keeping involved at the club level as well as looking at the bigger picture. This balance is ideal when managing KartSport for the country – from the grassroots to the elite!

I have a marketing/training/business administration and management background but am currently working in a quasi-Government role in the area of quality assurance.

I look forward to meeting many of you throughout the year.

Website Update

Since going live on 1 August our new website has received 17,100 visits (14% via mobile devices) with 78,900 page views. Average duration of visits is just under 4 minutes.

The next development is a project to enable Clubs to "skin" the site to create easy to manage and more enduring and stable Club specific sites.

If you wish to keep your Competition Licence Number you need to keep your Licence current. **This is especially applicable to senior competitors holding a one or two digit Licence Number.**

When sending your Licence for renewal please ensure you use the **current Application Form**, include your valid **Club Membership Card** and your **complete old Licence/Log Book**. Both will be returned to you with your new Licence/Log Book. **Failure to include these will delay processing and cause added administration time/cost.** Currently about **15%** of renewal applications are arriving incomplete.

Please fill out your Application Form clearly, especially your **email address** which is normally our key means of contacting you and sending you **E-Line**.

One Day Licences are limited to 5 in 12 months.

Licence Declarations are only for those competitors who leave their Licence at home or have lost their Licence. Licence Declarations are not available for when a Licence is in transit.

Licences in transit – if the event Race Secretary does not hold an email from KartSport New Zealand advising that a Licence is in transit, the competitor will be required to complete another Licence application and pay the relevant fees to the Club. These will be forwarded after the event by the Club to KartSport New Zealand and if a Licence is being held or has been returned the 2nd payment will not be processed.

Event Indemnities – These must be signed even if a Change of Guardian Form is being used.

Reminder that the only **wet tyre** to be used for practice and racing for classes subject to Rule L3.5 is the **Dunlop KT12 SLW2**. This Dunlop wet tyre became compulsory for these classes on **1 April 2012**.
