## Support Person Position Advertised

KartSport New Zealand wishes to employ an Administration and Finance Assistant to work with the Development and Administration Manager based in Auckland

This is a varied position requiring a range of skills suitable to support the Development and Administration responsibilities for KartSport New Zealand members nationwide. KartSport is an exciting and demanding sport and the operational responsibilities are both significant and diverse. Administration duties have increased substantially in recent years and the appointment of this role will release the Development Manager to concentrate more specifically on increasing income, sponsorship and support for Clubs nationwide. Also a pending change with our Treasury and accounting supplier means we will now be undertaking our accounts processing internally.

It is envisaged the role will require on average 30 hours per week working closely with the Development Manager and the Executive. Location: Mt Wellington, Auckland. Some travel and occasional weekend work will be required.
