## On-Line Licence Renewal Popular

Over the last few months On-Line Licence renewals completed via [KartSport On-Line](#) have really taken off. Once you have established your log in password you can keep your personal details (postal address, phone numbers & email address) up to date, renew your Licence, enter events and renew your Club membership.

Please take care to carefully read the questions on the **medical declaration** and to answer these questions correctly. Just ticking all the NO boxes means your declaration becomes nonsense, wastes administration time and delays the return of your new Licence.

Also please check your personal details are correct before you renew.

Thank you for your attention to this.
