

KartSport New Zealand Executive Inquiry

Hearing Outcome

- Report Prepared by:** Robert Hutton, National Secretary
- Hearing Panel:** Lance Hickey (Chair), Graeme Moore, Darryn McDonnell, Wayne Keats, Richard Moore, Nick Buxeda and Colin Smith.
- Venue/Date:** Held electronically on the Executive Worksite 27-6-14
- Event:** 2014 Top Half Series, Round 4 Overall Results Cadet ROK class.

Background (from John Lennox, Competitions Manger):

An error has been discovered in the final results of the Top Half Series 2014. The series results signed off on the day at the conclusion of Round 4 at Auckland on 22nd June did not account correctly for a tech DQ at Round 4 in the Cadet ROK class.

As a result a competitor has been awarded 3rd place in the Series when in fact they did not attain this position.

The competitor in question was incorrectly awarded 20 Did Not Start points for each heat at Round 4 plus the 100 bonus entry points when in fact they should have been awarded zero points for each heat as a result of the Tech DQ - the 100 bonus entry points are correct as per the Series Supplementary Rules..

The error has been brought to my attention by the Chair of Top Half, Tim Ganley, and the corrected results verified by the Series Race Secretary - Karen Tyrrell.

Due to our new Rule R3.8 the incorrect results have been deemed official and final and to correct this we must go through the procedure of an Inquiry under C5 of our Judicial Code.

I am now bringing this to the Executive under C5.2 bullet point one and ask that you vote to hold an Inquiry.

The second part of this is then under C5.3.1 where I ask you to review the information and corrected results and vote to accept these corrected results as the outcome of the Inquiry.

Outcomes:

- The Executive Panel voted to hold an Inquiry under C5.2.
- The Executive Panel voted to correct the Cadet ROK class Round and Overall series results to now read:

No	Name	Round 4 Auckland (22 June)								Totals
