J McDonnell ref Form of Complaint 413555 2014/15 Goldstar Round 2

Issue 2

- Report Prepared by:** G Moore
- Inquiry Panel:** G Moore (chair), J Lennox, N Buxeda, B Lotter, R Moore and W Keats
- Venue:** held electronically
- Date:** 16 January 2015.
- Terms of Reference:** To consider a recommendation from the National Technical Officer to overturn the Disqualification of J McDonnell, Rotax Max Heavy class, at Round 2 of the 2014/15 WKPKA Goldstar Series due to an interpretation of the squish measurement tolerance rule made during the Technical Inspection of the competitor's engine.
- Process:** The National Technical Officer provided his interpretation under Rule D1 regarding the tolerance for the squish measurement. The event Technical Officer concerned confirmed his interpretation, which was applied at the event, was different to that of the National Technical Officer.
- Outcome:** The Panel determined that Jordan McDonnell be reinstated in the event and series results respectively.
