

SHE'S PAYING IT SAFE

VENUE:
Hamilton Kart Club

SITUATION:
While speed and adrenalin rule here, a lot of the action is off the track. The dedicated volunteers who run the Hamilton Kart Club do everything from promoting and running events, to managing finances and manning the shop. Race days are the front end of a complex business, so there's a lot to do and time is scarce.

VENUE TYPE:
Sports Club

SOLUTION:
With mobile EFTPOS it's not only the races that run fast. Mobile terminals can be used anywhere: track-side, the shop or taken home for admin tasks. It's safe and secure, with less cash to manage and with mobile EFTPOS available, even the club's revenue is on the rise. On and off the track, winning technology lets everyone enjoy a great day's racing.
